PERSONAL STATEMENT

I am a full stack developer with over 9 years of experience

I worked on applications for companies like HP, Orange, Lufthansa, Austrian Airlines, Orbit, Becks, Istyle, HolidayCheck

WORK EXPERIENCE

Apr 2017–Present

Full Stack Developer

Holidaycheck AG, Bottighofen (Switzerland)

Part of an agile team responsible in implementing the Topic Pages, maintaining the legacy code and parts of the current main stack.

Actively participated in the recruitment process and training of junior developers.

Mostly involved in migrating the legacy code to a new stack that was implemented using the latest technologies like GraphQL(with schema stitching and query batching), Typescript, React, GO, allowing us to provide multiple releases per day and a better experience for the millions of people using our service.

Technologies: React, ES6, Redux, Typescript, Apollo, GraphQL, GO, NodeJs, PHP, MySQL/PostgreSQL, Contentful, Docker, Jest

Feb 2014–Apr 2017

Full Stack Web Developer

2e Systems GmbH

FrontEnd / BackEnd Web Developer

I worked on projects for most of the major european airline companies like Lufthansa, airBaltic, AirBerlin, Austrian Airlines, ECair, AirMoldova where i developed the company modules especially the online booking, check-in, notifications, promotional and loyalty solutions for admin side but also client side. I worked closely with 2e middleware team, agencies that provided the designs and also directly with contracted companies project managers.

The projects that i worked on were developed with different technologies from procedural php to oop using frameworks like Lumen or Laravel. On the frontend side i worked with Backbone/Marionette and React/Redux/ES6.

Most of the applications where at a large-scale and required writing clean, readable, optimized php/js code and advanced mysql skills.

Technologies: MVC, Php, JQuery, MySQL, Backbone, Bootstrap, Photoshop, SASS, Compass, Json, Xml, Marionette, React, ES6, Redux,
